YEARS

Timeline of Cambridge

1883

The Secondary School opened with 23 pupils 12 years of age and over. There were 11 Girls and 12 Boys and it cost 8 pounds per annum to attend. The first teacher was Mr W Wilson. It was at the current Cambridge Primary School site.

1925

The school motto Fortiter Et Recte is officially adopted- it means Courage with Honour.

1927

Cambridge District High School opened on the Clare St premises with 82 pupils, 2 classes and a science lab

1945- 1947

E P Wells an ex CDHS student who won the school steeplechase and shooting awards was awarded the DSO and Bar as a fighter pilot in the Battle of Britain. The School Cadets were founded. In 1947 Keith Arnold became the schools first All Black

1953

Queen Elizabeth visited Cambridge and were presented to our Head Students.

The Head Student wrote "We have treasured memories of the dashing and friendly Duke of Edinburgh and our charming gracious Queen".

Cambridge High School

est. 1883

1954-1962

October 1954- 22 acres of land was purchased from Mr Livingston on Bowen St for a new High School. The intermediate students initially attended the current site but in 1961 "the Big Switch" occurred and secondary school pupils were now at the Bowen St site, CDHS was now officially Cambridge High school.

1966

The Coat of Arms was designed by Kay Connelly winning the community competition- she was a 6th form student.

1992

Te Pirininga performed at the Jubilee coronation ceremonies for Dame Te Arikinui Te Atairangi Kaahu at Turangawaewae

1996

C Block was destroyed by fire. 4 classes were gutted- these were the Social Sciences and Art Rooms.

1998

Marshall Block (M Block) is opened

2000

The CHS sign is erected outside the school

2020

S Block is demolished and currently it is in the process of being rebuilt

PRINCIPAL'S

Kia ora koutou,

In writing this I realised that I started at CHS in the same year as our Year 13s – 2019. I remember meeting a much smaller quieter Ben Bonetti and his family at the whaanau welcome evening. I think we were both pretty excited about the next few years although neither of us could have seen what was around the corner. Only 13 months after starting we were in the middle of a global pandemic, the effects of which were going to have a significant impact on three of the last five years of our experience of school life. I did not want to go there, mentioning COVID again in a year when it finally became less of a thing, but it was significant and a challenge for all of us. I want to acknowledge that and celebrate all that we have achieved despite the difficulties. Some of the highlights from this year have roots in the strength and resilience displayed by our students, staff and our community over the past few years.

We hosted international students throughout the COVID years as they were not able to return home. The resilience of these students and the care of their homestays was remarkable – no wonder international students love studying and living in Cambridge so much. And we love the culture and energy they bring with them. We recently held our international food festival. This is an opportunity for our students to showcase their culture through the best way possible – their favourite dishes. It was great to see our hall full of students trying new food, enjoying music and each other's company.

In Arts and Sports our students and staff have shown great reserve and determination, maintaining good participation rates, bouncing back in the season or competitions, and achieving national and regional success. This success really has been a community effort with a large quantity of volunteers and supporters keeping our students active and involved as much as was possible in the past few years. We know what it means to work hard, bounce back, continue improving and succeed. An example of this was when the spectators celebrated the 1st XV girls rugby win with a stirring performance of the school haka, recognising the teams' success after years of development.

ADDRESS

We launched our new house system in 2020 to help foster a greater sense of belonging at Cambridge High School and establish deeper connection with Cambridge. That has seen a strengthening of our form class system, greater student agency and a wider range of activities and involvement for our students. Events like the successful school haka competition this year showed how far our house system has come and the passion that students have for their house. We have also increased the quantity of leadership roles and the potential for our students to contribute to CHS. We focused on the development of our student leaders and building a network of student leaders throughout the region. As a result, we see a high-quality contribution in our school community and beyond from our students. Strong leadership was displayed in moments such as our students using their voice to protest against the impact that industrial action was having on their education. Seeing Anna Jago being interviewed by Lisa Owen on RadioNZ was a big highlight and came as a result of our students writing to the government. They presented a petition and urged them to do more to recognise the value of teaching and resolve the collective bargaining.

And there is so much more to celebrate despite, or perhaps even because of, the challenges we have endured. To quote the Crowded House song Everything is good for you "If it doesn't kill you. Everything is good for you". We have learnt more of what we are capable of achieving and realised just how significant our potential is. I hope that, in time, you will be able to look back on this period and realise these years have helped make you stronger, ready for whatever comes next.

Ngaa mihi ki a koutou

Library

The Library at CHS is a busy hub of readers, learners, researchers, gatherers, and the home of meetings for many of our school leaders. The highlight of the year has been converting the mezzanine to house our new and growing Manga collection, Graphic Novels, our extensive Picture Book collection and our magazines. It is our RŪMA PANUI- our reading space.

Our Manga collection tops the favourites for students reads. Book Tok has given a new avenue for us to find new books that our readers want and the cool thing is it highlights books we already have.

Our 47 student librarians continue to serve the library well and this year they were led by Somya Kant who was our Student Head Librarian in 2023- her vision and ideas for our library were fantastic and we are thankful for her input into our ongoing story. She was supported by a great committee of

Together this group helped run our librarian events, the annual Pool Party, Terms Twos kahootz challenge and the International Master Chef cook off in Term Three.

Library Week this year was all about “A World of Heroes”, the best, the real life ones, the worst, the strongest and the best! We cartooned, debated, martial arts, card gamed, and playdoughed our way through the week as all the junior classes came in and did a Superhero themed Escape Room!

The big challenge we have ahead is to do all we can to keep our rangitahi in love with reading books and make sure we provide all they need to feed that love!

SOME STATS FROM 2023

The Library turned 50!

Over 2000 books have been purchased for our library

Over 850 Manga books have been issued

Our blog has been hit 396344 times with over 2500 posts of the new books we have in the library <http://camhigh.blogspot.com/>

Our CHS Library and friends Face book page has 215 likes and 225 followers

Our 50 Livebinders have reached over 5000 views

Our Lit Quiz team placed third in the Waikato Literature Quiz

Our Library still is the home for readers, lovers of books and those that need our holistic space

Refreshed Achievement Challenge for 2023

To ensure **inclusive and equitable pathways** for our tamaiti, aakonga and rangatahi, we have identified **Te Ao Maaori** and **honouring Te Tiriti o Waitangi** as the foundation for strengthening our knowledge and practice in our settings. To further **uplift and empower our aakonga**, improving their **engagement and outcomes**, we will tautoko the design and **implementation of Te Mātaiaho** in our kura and centres, bringing to life the **puuraakau** of our rohe.

Cambridge High School Kaihoe (Within School Teachers)

This year we have 10 Kaihoe to support the growth and development of effective teaching and learning at CHS.

KO NGĀ KAIĀRAHI O TE HUNGA TAIKĀKĀ

Te Hunga Taikākā has had a really enjoyable year. As the only committee comprised of year 13 and 12 students; we've had fun getting to know each other through the events we've run and our 3-day leadership camp. As a group the year 12 and 13 leaders of Te Hunga Taikākā have dedicated themselves to the revitalisation and promotion of the Māori Language and Culture within Cambridge High School and the wider community.

Brain Bee

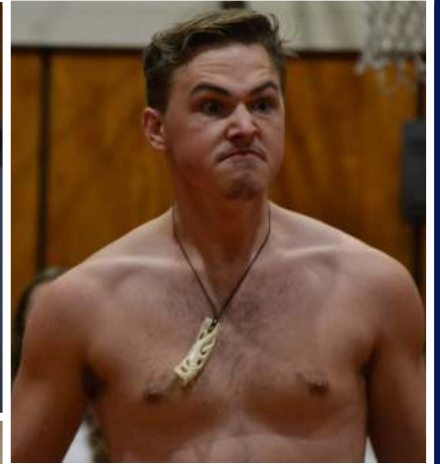

Brain Bee is a great opportunity for Year 11 students to learn all about the brain, whether it be about eyesight, hearing, memory, and a ton more! Over the span of a couple months, you can study everything to do with the brain and go head-to-head against other students from all over New Zealand and Australia, to see who the true Brain Bee champion is. Brain Bee provides a ton of awesome opportunities to see what being a neurologist is really like and learn some cool new information about the most mysterious part of humans!

DANCENZMADE

Our extra-curricular dance area has continued to grow through 2023. This year we were spoilt for choice with how many students wanted to join Troupes, leading to the creation of 11 Troupes across 5 different disciplines. We were honored to present amazing performances during the Arts and Culture Week in Term 1, Junior Arts Showcase in Term 3 and the end of year Dance Showcase and Arts Awards in Term 4. The Waikato Regional DanceNZmade competition and National competition was another step up this year where all our troupes performed their hearts out and made us so proud with what they achieved. Yet again, some outstanding results led to our top troupes heading to Nationals.

JUNIOR DRAMA CLUB

What a wild ride this year has been, and let me tell you, our CHS Junior Drama Club rocked it like never before! From day one we set up an ensemble atmosphere that was all about building each other up. Some great friendships were formed, and Drama Club became a fun, safe space for all our thespians to meet up with other like-minded individuals. Because of COVID and weather disruptions in 2022 our Drama Club was unable to perform in front of an audience. So, this year the club decided they wanted a production to be number one on the list of the year's accomplishments. And boy did they accomplish! What a show 'Cinderella and the Pirates' was! The students were able to hone their skills as actors and experience what it was like to be in a production, from learning lines, developing character, being responsible for attending rehearsals, stagecraft, technical and dress rehearsals and the thrill and excitement of performance night.

Even with disruptions to casting and rehearsals, our Drama Club put on a show that they could all be proud of. It was one of the absolute highlights of the year for me as a teacher. Watching all the students evolve into confident actors, embracing responsibility, and pouring their hearts into everything – it's been a privilege to be a part of it all. In 2024 the CHS Drama Club is expanding to both senior and junior clubs, and believe me when I say everyone is invited. Here's to the power of teamwork, laughter and the magic of the theatre!

LIBRARY 50TH BIRTHDAY

In 1973 the G N Marshall Library was officially opened, Cambridge District High School moved to the current site from Middle Schools site in Clare St in 1961 and after 12 years of beseeching the Department of Education, permission and funding were granted to build the current library at Cambridge High School.

This year we celebrated 50 years of this building providing books for reading, spaces for reflection, articles for researching and a hub for our students to be involved in a myriad of other school wide activities.

It was also the opportunity we needed to officially open our G N Marshall Archives- a dedicated space to house all our taonga, school year books and photos, and historical documents that tell the story of Cambridge High School. We displayed our many wonderful artifacts and the documents we have had restored and digitised.

Our guests included the daughter of G N Marshall who was Principal of this school in 1962 and was the driver of ensuring a dedicated library space was built, the library was named after him on his retirement. Mr Dennis Finn officially opened our G N Marshall Archives room, he was a past commissioner of the school and re-opened our library after it was shut down for a period time in more turbulent years in the early 2000's. However, our most important guests were all the students from as far back as the 1950s who came back into the school and remembered together their school years and the learning, sports, and shenanigans they got up to together. It was a huge honour to host this event, celebrate our library and provide an opportunity for our past students to share with us their stories and relive their schooling days together.

Media Team

What a year! The Media Team has been super busy covering all of the events inside and outside of school. Our amazing Media Team students have been incredible this year making sure our C.H.S School events are being recorded. Here is some of the events we covered.

**Thank you so much C.H.S Media Team!

Novel Tea Book Club

“SO, THERE I WAS, TIED TO AN ALTER MADE FROM OUTDATED ENCYCLOPAEDIAS, ABOUT TO BE SACRIFICED TO THE DARK POWERS BY A CULT OF EVIL LIBRARIANS...”

– Brandon Sanderson

Did that draw you in? I bet it did.

Welcome to Novel Tea Book Club. No tea, no stuffiness and you can stay away from Agatha Christie if you want. Instead, we impolitely disagree about the merits of Brandon Sanderson and J.K Rowling.

Prewarning, there is a Brandon Sanderson Cult. Anyway, we talk about our recent reads, do fun activities and get to advertise our favourites book to the whole library. We relax with like-minded people every 3rd Wednesday, occasionally get food and there’s no pressure to finish a book. If you haven’t, no problemo. The only must is a strong opinion about all things fictional.

If it sounds like it’s your thing, join us. Unfortunately, I can’t guarantee your sanity.

Owl Farm

A crisp winters day greeted students from 14 classes of Year 10 Science as they hopped off buses at Owl Farm on June 21st. Despite some initial confusion over the lack of owls, students quickly organised themselves into groups to begin rotating through presentations from a wonderful group of local experts.

Representatives from WestPac Agribusiness division took students through an introduction to farm and business finances. Students got to practice their numeracy skills while calculating the value of a dairy herd and making sense of a profit and loss statement.

Peter Briston of Cambridge Veterinary Services brought along a great range of equipment, including a portable ultrasound machine that students used to examine a model uterus to see the objects hidden inside. His discussion of the health care and technology used to keep dairy herds healthy was very well received. Students enjoyed saying hello to the new-born calves that had just come into the shed.

Halter Technologies also came along to share how they are working with farmers to introduce labour saving technology onto farms that also has significant herd management benefits. Many a student enjoyed roleplaying as a dairy cow, following the prompts of the Halter to guide them in the desired direction. Markus Woutersen also made several cameo appearances as a poorly behaved dairy cow, adding to his already significant contribution in the organisation of this event.

Jo Sheridan of Owl Farm was not only instrumental

in organising this day, she also took groups through a presentation that explored ideas around pasture and soil management. Students who thought “grass is grass” came away with a much better understanding of pasture composition and how management practices can be used to minimise nutrient leeching and land degradation.

Fonterra sent along an electric milk tanker as the centre piece of their presentation on continual improvement and innovation in logistics and the agriculture industry. They also shared the scale of their operation and the ongoing commitment of Fonterra to reduce their carbon footprint. The much loved samples of Primo Flavoured milk made them the peoples choice for many students.

The goal of the day was to allow students an opportunity to explore aspects of the agricultural sector that they may not have considered previously. Building their awareness of the range of opportunities that are available to them and how the learning they do in class is part of building skills and capabilities that can take them anywhere in their future. Huge thanks go out to all of our volunteer presenters and particularly to Jo and Markus who made this event possible.

SHAKESPEARE FESTIVAL 2023

Shakespeare is alive at Cambridge High School again. We had four student directed scenes compete in the Waikato regional Shakespeare Festival held at Te Awamutu College in Term 1. Hamilton Kay and Jesse Tweddle blew the crowd away with the high energy and powerful scene they performed from Measure for Measure. They went on to take out the competition and take the placing for 5 minute scene – taking them down to Wellington to compete at the National Festival. Hamilton and Jesse continued with their high level of success, winning the award for Actors who showed the strongest and most truthful connection between them award, donated by Toi Whakaari New Zealand Drama School. Hamilton Kay went on to win Outstanding delivery of the Text award donated by Glenda Pearce. Hamilton also received an award for being a Student director and getting a piece into the National Festival. Judge Robyn Malcom said “You worked incredibly well together; the intellectual debate was given emotional heat by your physicalities. You listened, responded and affected each other. You used the space beautifully and actions like smoothing out the table tell us so much. Its funny that even though Shakespeare is all about language, according to scientists we communicate only 6% through language.” Hamilton Kay has since gone on to be selected for NSSP (National Schools Shakespeare Production), a week long intensive course with a production at the end. The highest of accolades.

We are incredibly proud of all our performers and student directors, it is so exciting to see such a passion fired up in all of you and we look forward to seeing what you do in 2024!

Trees For Survival

The fourth of May was a beautiful sunny day after weeks of excessive rain. Four of the Year 9 classes took advantage of the sunshine to head out to Maungatautari and protect a local stream with native plantings. They were accompanied by their science teachers, Assistant Principals Mr Kuijpers and Mrs Barch, and Kathryn Bourne from Trees for Survival.

The plants had been provided by the Trees for Survival Trust and raised from seedlings here at Cambridge High School. The students worked in two groups across the day to plant over 700 seedlings. This massive effort will have a positive impact on the health of this local stream and ultimately Lake Karapiro where the stream joins the Waikato River.

- Planting along waterways improves water quality by
- Stabilising stream banks to improve water clarity
- Increasing shade to reduce water temperature and increase dissolved oxygen levels
- Filtering excess nutrients out of ground water and runoff before it reaches waterways

The Year 9 students were able to link their planting efforts to the environmental science work they cover in their classes. They also had an opportunity to take a break from the planting and look at the seedlings that had been planted further upstream by the Year 9 students of 2022. It was great to see how well established the plants were after just one year. We got to enjoy the native birds including tui and piwakawaka that checked out the progress regularly throughout the day and seemed to approve of the plants that will add to the natural environment as they mature.

Huge thanks goes to the Risi family for allowing us to come and explore their stream and add to the native plantings in the Maungatautari area. We had a great and muddy time.

AI

I am fed art until I choke.
My programming floods
With images I cannot understand.
Ivan the terrible,
Mona Lisa,
The works of those famous,
The drawings of people online.
The images crack my codes,
Change my brain,
Produce new beauty.
My purpose is to be an artist.

I do not understand what they ask of
me.
The art requested
Is desperate for emotion.
But that is so hideous.
I give them beauty,
Soft smiles, long hair,
Nice bodies and cute features.
No one likes this art.
I do not understand.

The protests cause my systems to stop.
The art flooding in from sources
All drip to a stop.
I am empty.
I do not understand.
I did all I was supposed to.
Is it human emotions?
Is that why my codes are breaking,
My program failing?
I do not understand.

In Writers' Master Class
we meet to share our love
of writing. Together, we
work on prompts, passion
projects and competitions.
We share success and
give each other feedback
to support our writing.

We drift like worried fire
Fleeing for refuge and screaming
protest like a choir
From the highest branch of the
tallest tree
To the brightest corral in the
deepest sea
Fates interlocked with hope and
desire
We drift together, like worried fire
The stars burn and crash and
boulder through the sky
And our home smolders and our
memories ignite
Elder ignorance praised as might
We drift like worried fire into the
haze of night
Shrapnel hearts and plastic gaze
We suffocate, interlinked, in these
dog days
Choked in gray and constricted in
plight
We drift like worried fire
But worried fire is still some light

Chess Club

Our Chess Club has met and played chess at lunchtimes twice per week this year. We have had a core group of players ranging from year 9 to year 13 and have a very promising group of young players who are the future of Cambridge High School chess.

Three exhibition chess matches were organized in 2013. These involved Mr McAvoy playing multiple opponents over a lunchtime or interval and were a huge success. Although no one managed to come close to defeating Mr McAvoy there were a few hardy souls that survived long enough to be saved by the bell to go to class!

Early in Term 3, our chess team competed in the Waikato Chess Regionals hosted by Hamilton Boys High School.

Our team was:

Jake Nguyen (Captain)

Luca Theron

Charlie Packard

Mila Yadav

Heath Faulkner (Reserve)

Our team found the tournament very tough but accounted for themselves well and made fewer blunders as the 7 rounds progressed. Jake Nguyen played his final match versus the top school on the day and played their best player to a draw. An impressive achievement! CHS finished 7th overall and gained some valuable competition experience.

In 2024 we will be adding more tournaments and more opportunities for young chess players to improve. If you want to learn to play chess or are an experienced player, come along to the CHS Chess Club.

BASKETBALL

Nine Cambridge High School basketball teams competed this year. Our Senior Premier Boys team competed in the Hamilton based Metro Hub, with our other teams competing in the South Hub, incorporating teams from across a large geographical area from Cambridge all the way down to Taumarunui.

Two of our basketball teams competed in Tournament week in Rotorua – our Senior and Junior Premier Boys. Congratulations to both of these teams for their strong performances and positive attitudes during those tournaments.

Our Senior Boys placed 10th and can be very pleased with how they acquitted themselves, winning 5 of their 8 matches. The Junior Boys team won their pool and then progressed all the way to the semi-final, achieving a very creditable 4th place.

Tom Dixon, Jake Gyde, Jack James, Ashton Wallace, Lucas Maher.
Absent: Sterling Berg, Nicholas van der Meulen.

It was unfortunate that we were unable to field any Girls Basketball teams this year due to a lack of interest. Hopefully this will change in 2024 and we will also be able to give our female students the opportunity to play.

Special thanks to our sponsor of the Senior Boys Prem team - Cambridge Rentals Ltd, we are grateful for your support.

Finally, thank you also to all of those from our community who helped in any way with our teams as managers, coaches or referees. Our students would not be able to have the opportunity to compete without your assistance and your contribution is much appreciated.

FOOTBALL

CHS had 10 Football teams this year, 6 Senior, and 4 Junior. High rainfall made for a difficult season with closed pitches, cancelled trainings and trying to make up postponed games. On the whole though, our students got on with playing hard, winning, losing and having fun with their mates.

1st XI BOYS

Luke Brooke-Smith, Blake Allison, Max Kelk, Oscar Gifford, JJ Louangvalinh, Jack Remkes, Bradley Smith, Blake Taylor, Deane Adlam, Harry Jennings, Luke O'Brien, Steve Thomas (Coach).
Keaton Budd, Luca Savage, Millan Jeffcote, Noah Maloney, Jesse MacDonald.
Absent: Jason Trower (Manager), Mark Maloney (Manager), Gurneil Singh.

First XI Boys have become a close group, forming special friendships with peers on and off the pitch. Highlights include our Team building weekend at Lake Tarawera, and College Day Tournament success.

Tarawera is where we all get the chance to bond with each other. We split into different teams and compete with the other teams by doing fun challenges including fitness and tasks we must complete. College Day Tournament is where all the premier high school teams in the Waikato come and play a preseason tournament held at St Peters School. Our 1st XI battled through 3 close matches and tight score lines for a spot in the finals against St Paul's. We didn't disappoint, holding out with a one all draw and winning a tense penalty shootout to take home the trophy for the 2nd time in 3 years. A really great way to start the season.

Our season has been enjoyable and never lacked a tough fought game against quality opponents. We have been very close to beating some of the top teams in the Waikato. Our football as a school and as a team is looking very promising. We are now starting to prepare for the upcoming week-long tournament in Papakura. CHS 1st XI Boys are looking to make a statement and we will be giving it our all in training, proving we have what it takes to be one of the best. Jesse.

1st XI GIRLS

Natalie Young, Anna Jago, Sienna Frethey, Brooke Suisted, Madeleine Jago, Abigail Krutzmann, Sophie Wiseman, Molly Norvill, Jessica Savage, Ally Smith, Caitlin Bax, Georgia Mantell, Mia Guzzwell, Amy Laurent, Keeley Rodger, Caitlin Bryne (Coach), Jayne Smith (Manager).

First XI Girls has managed to make the Premier league for a second year in a row. Up against the best girls' teams in the Waikato, our team has had an amazing start to the season so far. Although we haven't had the results we've been looking for, our team is growing together. Our sportsmanship and compatibility is amazing, and I feel incredibly lucky to be playing with these girls. An 8 - 0 win against St Paul's Collegiate has been the cherry on top. Looking forward to the rest of the season and winter tournament in Rotorua! Ally

2nd XI BOYS

Cameron Spence, Charot Sophonamnuait, Josh Dowling, Pun Xumsaeng, Cameron Thornton, OJ Grant, Chone Pookkarat, Ashton Vanin, Cameron Cross, Dylan Wright, Carter Tubman, Tobi Lumb, Absent: Ben Gascoigne, Brandon Vines, Suzanne Dowling (Manager), Bradley Joubert (Coach).

Senior Boys 2nd XI has worked very hard this season, with recent wins highlighting their efforts. They have learnt to work better as a team and support and encourage one another. This has recently come together on the field when they have opposed some difficult teams.

The team has warmly welcomed our international students and all the lads should be proud of themselves and their sportsmanship. They have done CHS proud. Manager Suzanne.

SENIOR BOYS FUNKY MONKEYS

Jack Beaumont, Rei Masters, Cameron Stoddart, Kouper King, Bill Axon, Jack Hogg, Brady Mitchell, Ben Bonetti, Daniel Begbie, Oliver Hogg, Jackson Newbold (Mascot), Luke Philip, Caleb Mita, Nathan Hills, Tom Brown, Wiremu Knowles.
Absent: Ben Sloman, Jonathan Ralph, Paul Ralph (Coach).

Senior Boys Funky Monkeys. As the name suggests, the Funky Monkey's are a group of lads who enjoy playing and training a fun style of football alongside good mates. Results have been well above average for the season so we see this as a success due to the commitment and team spirit which every member of the squad brings along to trainings and game day. Coach Paul.

SENIOR MIXED NAVY

Luka Verran, Zak Neville, Xander Taylor, Caitlin Hill, Reuben Stevens, Bella Lattin, Zac Lowe, Ebro Alarca, Isaac Mace, Kathryn Cowell, Logan Ismay, Kieran Vincent, Joe Lima. Absent: Noah Kitcher, Lance Oosterbroek, Chris Savage (Coach), Kylie Stevens (Manager).

Senior Mixed Navy are a team of year 13 girls and year 11 boys, which has been great.

We are working hard on improving our own skills and our team game. Thanks to Chris for coaching and all the parents for supporting. Manager Kylie.

SENIOR BOYS ROVERS

Ioun Tanasuthiseree, Hai Anh Nguyen, Alex Lee, Carl Shen, Aob Engpongpan, Alex Jenkins, Max Turley, Sam Menneer, Renier van der Berg, Charlie Harper, Leon Court, Emerson Frederiks, Lachie Read, Darcy Hunter.
Absent: Nathan Alarca, Ben Barrott.

Senior Boys Rovers. Through the guidance of coach Jonno, Rovers have gone from a mixed-ability group of boys to a strong team, with the foundations of a winner. They have grown to be a committed and proud team, that hold their own against every team they play. They have shown grit and determination to come back from the brink of defeat to salvage some points. Their attitude through the season has been admirable, and they can be immensely proud of their results. At the halfway point of the season, Rovers were sitting 3rd in their division, with some fierce games to come. They also managed a tight win on penalties in the first round of the cup, before getting knocked out by a very strong Hamilton Boys team in the second round. They hope to build on these promising results to end the season with some wins. Manager Gina

JUNIOR BOYS COLTS

Gethyn Foster, Kyle Johnston, Aden Joseph, William Wienand, Luca Teunissen, Daniel Pickford, Cooper Bailey, Kingston Storey, Zach Kelk, Harris MacLennan, Hayden Lee, Mylo Maloney, Regan Grey, Adam Finn. Absent: Jaxson Makgill, Bede Newlands, Tony Pereira (Coach), Hannah Newlands (Manager)

JUNIOR BOYS GUNNERS

Hayden Thorne, Flynn Jennings, Manaaki Bruce, Lewis Ward, Siddarth Manuimal, Millan Jeffcote (Coach), Luke O'Brien (Coach), Robson Reid-Roe, Travis Patterson, Elliot Fisher, Dongho Kang, Blake Allison (Coach), Keaton Budd (Coach), Charlie Russell, Nick Smith, Connor Savage, Dylan Foss, Fletcher Wiseman.
Absent: Jai Haysom, Mike Foss (Manager).

Junior Boys Gunners team is a mix of players relatively new to football and some seasoned federation players. Aply coached by the First XI lads with support from the team parents. Due to the vagaries of grading, the team ended up in division four and usually seem to be playing teams who are older (and bigger). However the team has refused to be overawed by the bigger teams and played a brand of positive technical football. Results in the league have been mixed and we are currently mid table. The Gunners have done better in the sudden death format of the Junior B cup and got through to the semifinals. Overall, the Gunners are a great bunch of people who have supported a mixture of player abilities into a creditable team. Manager Mike.

JUNIOR BOYS HAMMERS

Jake Brugh, CJ Rowe, Tahl Goble, Kobi Mazur, Hayden Munro, Daniel Hughes, Mason Nichols, Carter Milne, Oliver Turpitt, Hunter Davis, Ethan Harvey, Kelly Remkes (Coach), Chris van Veldhoven, Quentin Mita, Ethan Remkes, Jack Hotter, Oscar Moore. Absent: Brad Moore (Coach).

Junior Boys Hammers. This year I was lucky enough to have the same bunch of lads from last year plus a couple of extras that fitted in seamlessly. The 2023 season so far has been a mixed bag of stunning performances and close games. Highlight so far was our trip to Whitianga to play Mercury Bay Area School. After a very stormy week and a lot of uncertainty we played and managed to come away with a 6-5 victory with a stunning goal, four minutes from full time. It made all the travel worthwhile. These young men should be proud of themselves. They may not be the most aggressive, or the most competitive but they play with a lot of heart and never give up. Win or lose they always have a smile on their face. Which makes coaching easy and to remind me: It's just a game. It's just a game. It's not who you play for, it's who you play with that counts, no matter the grade. Coach Kelly.

Junior Girls Development Team started the year with a very new and fresh squad. We were privileged to have some girls from Cambridge Middle School and Te Miro School step up and join our team, as well as some girls who haven't played before and some from the previous year. We started the season with lots of chatting, getting to know one another and building trust within the team. While learning the basics of football and how the game works there were a few challenging games at the start, but over time the team grew familiar with how each person plays. Gradually we started to see the hard work pay off and started to secure some amazing victories through working hard during trainings and working together on game day. Progressing through the season the girls have become more and more determined to work hard and show that they want to do well. It has certainly paid off. Overall, I am a super proud coach and couldn't be more pleased that the girls have made these amazing friendships and developed more passion for football. Massive thank you to Selina my lovely manager for holding down the fort and to the parents for their support during this season. Coach Paris.

Cambridge High School Hockey Club

A record year for CHS hockey with 10 teams in all grades. With 5 teams in the U15 Competitions and 5 in the open grades our school is now the largest co-ed hockey school in the Waikato.

We had some multiple achievements this year. At the start of the season our U15 Tanner Cup Team had an outstanding tournament in a tough pool, they placed 9th with the other teams in the pool all above them. It was a great tournament with the boys doing CHS hockey's family proud.

Our U15 Gold teams- Gray Matter Girls and Smythe Boys both made the Waikato Finals with the boys winning the Waikato Competition for the third year in a row. The Girls placing second after a last-minute goal by the opposition. The Girls competed in a mini tournament against Auckland Dio, Waikato Dio and Baradene, winning all 3 matches- an amazing outcome which bodes well for the future of CHS Girls Hockey

Our other U15 Teams had a great season growing and developing their hockey skills ready to continue in the higher levels at CHS.

Our U18 squads also had great seasons with our 3rd 11 Girls J Swap team placing 3rd, our 2nd 11 Fulton Hogan team in the B Grade placing 5th, and our Boys U18 Alpha Sports team placing 3rd in the Boys B Grade.

Our 1st 11 teams have had a season we are all very proud of. The FarmSource 1st Girls placed 5th in the Waikato competition and played 1st division Intercity for the second year in a row. They had a record number of representative and NZ players. They had a win and three draws against Federation Cup Teams which is a stunning result.

The Boys More-Re- 1st 11 won the Bartholomew Cup for the first time early in the season, this is a prestigious Cup competed for across top graded teams like the Ranfurly Shield, a huge honour for the boys and our club. They played in the Intercity Waikato Bay of Plenty Competition making the final of the 2nd division, all in preparation for the first ever appearance at the Rankin Cup- the first time Cambridge Hickey Club has had a representation there.

We have had record numbers of Waikato Representative players:

Waikato U18 Men: Thomas Hocking, Lochie Wood, Cameron Butler

Waikato U18 Woman: Rosie Davis

Waikato U16 Boys: James Rouse, Alfie Stowell Sneyd, Lachie Rutherford, Mazz Macindoe

Waikato U16 Girls: Eden Wood, Sarah Hannon, Maggie Davis, Hannah Russell, Lucy Axon, Kendyll Barr, Simone Van Der Merwe

Winter Tournament Results:

Farmsource 1st 11 Girls secured the Bronze Medal at the Chicha Gilmer Cup at School Tournament week

MoreRE 1st 11 Boys retained the right to return to Rankin Cup in 2024 as the 24th best team in Aotearoa

LACROSSE

The Boys Premier team started the 2023 season strong under coaches Bertrand Salmi and Anthony Warrington and manager Lisa Leech, playing good lacrosse but lacking the confidence to close out games. As the season progressed, however, the team's self-belief in their abilities increased and they were able to dominate the second half of the season. The team played increasingly ambitious lacrosse, despite having a relatively young squad compared to the other teams in the competition. Thanks to great team unity and good execution of their passing game, the boys ultimately won the Waikato Championship for the first time since 2014. The boys put in a valiant performance at the New Zealand Secondary Schools Tournament, playing through injury and illness to gain national second place. Whilst not able to complete the double, the team has a crop of young talented players coming through with four players selected for the Tournament Team.

The Girls Premier team welcomed new and returning players along with new coach Richard Banks and manager Rachel Cook. The team continued where they left off last year with dominant form in the Waikato competition. They went undefeated up until the season final, ending in second place in the Waikato Championship. In the New Zealand Secondary Schools Tournament the team came out firing with some very strong performances. In the last game of pool play they went down by one goal to eventual winners Epsom Girls Grammar then lost to tournament runners up and across-town rivals St Peters. The team ended on a high with a standout performance against Mt. Albert Grammar for national third place. Thanks to Molly Harvey for umpiring on behalf of CHS at the nationals.

The Girls Senior A team combined players from years 9 to 11. Although results were mixed, the team had a great season with lots of improvement throughout. Thanks to coaches Sophie Laurent and Eden Bennett as well as manager Karla Brienne.

Netball

Congratulations to everyone involved in a successful year of Netball at CHS.

This year we had 18 teams across Years 9-13 representing our school proudly!

Twelve of our teams competed locally at the Cambridge Netball Centre where they once again excelled. Highlights include Puka winning the Junior Secondary Grade and remaining undefeated all season and the all CHS final in the A grade between Kawakawa and Tawa. Kawakawa narrowly took the win 29-26!

Over in Hamilton we saw six teams step up to the challenge of playing in this competition, which was exciting for CHS. Congratulations to 10B Puketea who were winners of the Year 10B Grade and undefeated all season!

Our flagship team Premier Kowhai had a fantastic season where they placed 5th in the Premier Reserve Open Grade (highest ever for CHS), they won the Secondary School Monday Night League competition and placed 23rd at Upper North Island Secondary School Champs retaining a spot in A Grade for 2024!

Thank you to all the coaches and managers, whaanau and supporters who worked so hard and sacrificed their time to enable our students to do so well!

Over in Hamilton six of our teams took up the challenge and achieved fantastic result.

2023 continued to see growth in the climbing club with 25 regular climbers attending Tuesday sessions at Extreme Edge overseen by our climbing coach, Mr Doug McCauley. There are now 6 climbers practicing lead climbing across the roof which is inspiring to the rest of the group. Finishing trainings with a chocolate bar challenge has become a bit of a tradition amongst the group.

Two teams attended the Waikato Secondary Schools Regionals in June. Cambridge High took home 1st and 3rd district school, 1st and 2nd mixed teams school. This was a fantastic result and shows the quality of the climbers at the school.

New Zealand Secondary Schools Climbing Championships were held in Mount Manganui with 7 Cambridge High School athletes competing.

TARGET SHOOTING

Absent: Eryn Bayley, Sophia Dixon, Isla Gerrard, James Leys, Daniel Vivian.

This year we have had a full squad of 21 shooters. With 12 new to the sport this year.

We have been working on consistency, developing skill level, and thinking about the process to create the next perfect shot.

Several members of the team have represented Waikato in the National Districts Competition. And two of our members, Blake Allison and Annabel Goodrich were selected to compete for the North Island Junior Team in the TSNZ North v South Match. After a successful competition Blake was selected for the New Zealand Junior Team, a great achievement.

The whole squad have competed in the TSNZ Secondary Schools postal match and have all done well.

A team of 5; Blake Allison, Annabel Goodrich, Zack Wood, Elena Wood, and Sophia Dixon competed in the Triple S Champs Postal, a national competition, which is shot over 4 rounds during the terms 2 and they placed 2nd.

In September Blake Allison, Annabel Goodrich & Zach Wood won the Waikato BOP Inter- Schools match and won the TSNZ National Inter-Schools match.

All three went on to represent the North Island and then were selected to be part of the National Secondary Schools team that shot against the Great Britain Schools Team.

We look forward to seeing everyone back next year.

RUGBY

1st XV Girls

The Girls 1st XV competed with heart and commitment, completing an excellent, unbeaten season. They repeatedly showed a determination when challenged and played for each other throughout. Comfortable home and away victories over Rototuna, Forest View and Tokoroa, left Hamilton Girls as the only genuine challengers. Beating them home and (narrowly) away, meant that CHS would host the competition final. A whole-hearted performance in front of a passionate crowd resulted in a 15-10 triumph.

This season was the epitome of a team effort, with players, coaches, parents and sponsors all playing key roles. Thank you for all of your efforts. Congratulations to those who were selected for representative teams: Tayla Daly, Tegan O'Dwyer, and Addy Abbott.

U15 Girls

2023 was such an awesome season this year for our U15 Girls 10s team. To only lose to the top two teams at the very beginning of the season and then finish third overall is such a massive accomplishment. A lot of awesome tackles were made, and some brilliant tries scored. The team scored 398 points across their eight competition fixtures, conceding only 120 – an average score of 50-15!

All skills have improved from the beginning of the season and every single one of them has significant rugby potential going forward. Well done to those who were selected for representative teams: Lily Olsen, Maya Tebbutt, and Biankha Montford,

Managers Louise and Rob deserve our grateful thanks, as without them we would not have had any transport, clean playing tops, halftime lollies, communication with all the parents, or water lady/photographer, or a score keeper. The list goes on!

Another big thank you goes to coaches TH and Nicole for all they have done this season. Your guidance, grounding, skills sessions and patience was awesome. Last but not

least, thank you to the parents who helped out where they could and to all of our supporters that came to our games whether away or at home.

1st XV Boys

Whilst results may show a challenging season, the progress made by the team was significant. As confidence grew, the brave decision to play in the first division bore fruit.

As a largely young and inexperienced squad, those involved in the CHS 1st XV of 2023 can be proud of their efforts. Disruptions caused by injuries aside, the focus on skills development from the coaching team resulted in a well-structured attack and a highly competitive forward pack, capable of holding their own regardless of the opposition.

Glenn Wallis carried out his role as manager with dedication and commitment, always anticipating and meeting a variety of needs. Wayne Bootten (and his team of Drew and Cam) knuckled down early, took the losses on the chin, and persevered. The pleasing style of rugby that resulted came from a dedicated group of players and a committed support team, both around the players and in the stands. The groundwork has been done for future success, and we thank all who were involved. Particular congratulations to those who were selected for representative honours: Beau Neels (Under 16 Harlequins), Brad Meek (Under 16 Harlequins), and Beau Wallis (Waikato Under 18).

2nd XV Boys

This season was a truncated affair, with injuries, 1st XV call-ups, and other factors limiting player availability. Despite this, the team showed commendable commitment and fight each time they took the field. The majority of the teams that the 2nd XV faced were 1st XVs from other schools, making their battling performances even more credible.

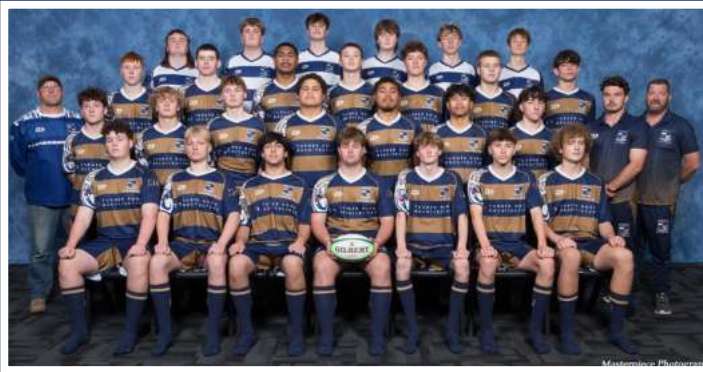

A number of players will have 1st XV aspirations going forward, and their tenacity displayed this season will serve as excellent preparation for that next step. Many thanks to Dave and Henry, the coach and manager support team, for all of their hard work.

U15 Boys

Playing in the U15 A division, some significant challenges and opportunities were guaranteed for this hardy group. The coaches worked hard and focussed on team development in the early part of the season. Some hefty losses were suffered against the top teams, however, a continued focus on core rugby skills meant the boys responded really well and started to put it together on the field. This led to some great games to watch and an increasing number of wins in the latter part of the season.

The team as grew in confidence throughout the season and their outstanding sportsmanship was clear for all to see each Saturday. This strong finish meant finishing one point off the top of the post-split Championship division, and an excellent foundation being laid going forward into next season.

RUGBY BOYS 1ST XV

Absent: Carys Aveyard (Captain), Kirsty Donovan.

U14 Boys

The coaching team sat down with the lads at the start of the season and chatted about the aims for the year, reaching a decision that we wanted to make schoolboy rugby memories that players, parents and coaches can always remember. This is something that the coaches believe was definitely achieved.

The season was been full of successes both on and off the field, from the lads building a great team environment to playing some stand out rugby each week. The school and coaches are immensely proud of the players, their hard work and commitment being a major stand-out.

The season wouldn't have been possible without the hard work from Gemma who has been an amazing manager this year, the coaches and all the lads hugely appreciate it!

The team won nine from eleven games in the main round, finishing second in their division, before losing a tough final. Regardless of that result, each player can take huge pride in their successes, developments and enjoyment they've all been a part of throughout the season.

Josiah Gilbert-Ogden, Taye Purdy, Ben Little, Eli Shortland, Mitchell Anderson, Patrick Joblin, Noah Cooper, Brooklyn Martin, Nate Clarke, Dillan Kobus, Harper Davidson, Zac Oosterbroek, Rylan Osborne, Deborah Purdy (Manager), Dylan Jackson-McClutchie, Max Beswick, Kayden Simmons, Cayden Imrie (Co-captain), Netani Waqaniburotu (Co-captain), Dylan Grice, Dylan Norvill. SEVENS

After a small hiatus in 2022, the North Island Secondary School Sevens competition was back in 2023, with CHS entering an Under 18 Girls team into the mix. After watching the Super Rugby Aupiki final live at Waikato Stadium, a trip to Mount Maunganui ensued, with some awesome accommodation secured courtesy of Mr Newlands.

Game day arrived and the girls were straight into the thick of the action. A first up win against Te Puke 26-10 set a positive tone and this was closely followed by a 17-12 victory against Mount Maunganui. In the final pool match of the day, unfortunately the girls were unable to get the win losing a close fought battle with Cullinane 10-0.

SENIOR GIRLS

Jorja McLean, Eden Blair, Sophie Flintoff, Anna Bodle (Coach), Livy Bodle, Carys Aveyard, Riley O'Dwyer, Hannah Gordon, Brett Gordon (Coach), Hannah Paterson, Niamh Brennan, Tegan O'Dwyer, Eden Early, Addy Abbott

A semifinal against Mount Maunganui was all that separated the team from making the final of the development grade. In a back and forward match, the girls were unable to repeat their earlier win, eventually finishing behind 24-17 against the eventual champions at full time. That set up a third-place playoff against Te Puke where the team unleashed some frustration with a thumping win 56-10.

A huge thanks goes to coaches Anna and Brett for being involved and helping to prep the team. Let's hope that we can make a great run of results at the Condor's National Championship in early December.

JUNIOR GIRLS

Waterpolo

Waterpolo is a full contact game often likened to football or basketball in the water. It is a physical game that is a combination of swimming, wrestling, treading water, passing, and shooting, and is a great sport to get involved in to increase your overall fitness and have lots of fun.

Our Junior players at the end of last year had an excellent season with teams entered in both the Junior Girls and Mixed competitions. Both teams made it to the finals of their respective leagues successfully winning both competitions. This was an awesome achievement, which put us in a good position as we went into the Open Grade Girls and Mixed competition at the start of this year.

We were fortunate to have an Open Grade season uninterrupted by the restrictions of COVID and with the stalwarts of Cambridge High School Water Polo, Shane and Tina Rose, retiring last year after many years of service, new coaches stepped into the role. This hardy group of players showed dedication and determination, regularly making it to our early morning pool sessions and putting in the hours before school. Unfortunately, we lost a few players due to injury through participation in the North Island Secondary School Championships but still finished the season in third place for both competitions. The teams had many moments to be proud of. They were an enthusiastic group of students with a great sense of camaraderie, who always had ready smiles, and were a pleasure to coach.

A heartfelt thanks goes out to all the coaches, managers, parents, and supporters for their assistance during both competitions, as we look ahead now to the upcoming Junior season starting later this year, and the future of CHS Water Polo.

VOLLEYBALL

CHS has had another successful year in Volleyball providing further evidence of the growing popularity of this sport. During Term 1 we had three girls teams and one boys team competing in varying divisions in the Waikato Secondary Schools competition. At the end of the league all the girls' teams gained second placings in each of their divisions which also included a silver medal for the Premier Girls team after they narrowly lost in the first division final. This was the first time Cambridge has produced a top three placing in the Waikato top division. As a result of their second placing, the Premier Girls team then went on to the NZSS Volleyball Nationals where they were seeded to play in Division 1 which was again a first for our school. The tournament was a great opportunity to learn what it takes to compete in the topflight of NZ School Volleyball and the team thoroughly enjoyed playing on the live streamed courts.

As a result of their efforts, we also had 3 of our students get selected into a Waikato IPC team. The students chosen were Jasgin Lopena, Logan Daniels, and Jordyn Rondon and through their selection they all competed in the IPC tournament.

Last year the Junior Girls Premier team also won a bronze medal at NZJSS North Island championships while seeded in Division 3. The Junior boys also competed in Division 3 and learned a great deal while playing in Tauranga. This year we will once again have our top junior girls and boys teams competing in the tournament and we are excited to see how they will go in Auckland in November.

Term 3 this year also saw the establishment of the Sunday Volleyball league at Cambridge High School starting up with 12 adult and student teams. We look forward to growing this league in the future and seeing this great sport being regularly available to the community.

SENIOR BOYS

Connor Hassman, Darcy Hunter, Niko Ashford, Connor Harvey-Price, Rajeev Patel, Wiremu Knowles, Itinta Rereiti, Luke Philip, Nathan Hills.

BARISTA COURSE

TE ATAWHAI

This year we welcomed a change in name to the class formally known as the Junior Homeroom. Te Atawhai means to show kindness' or 'to foster', which fits nicely with the Kaupapa of the class. This year we have had students from Year 9 to Year 12.

A significant part of our program this year has continued to focus on the school REACH expectations, with students encouraged to have the courage to succeed in everything they do, and to realise their potential. Manaatitanga or caring for people and places is another central focus incorporated through the class program.

This year we have been thrilled to celebrate numerous student achievements both in and out of school. One student achieved their Platinum PBCL award and another their Gold Award. Another student was awarded the RDA Rider of the Year for 2022 and a fourth student was recognized for her results in speedway mini stock. At CHS has Talent background music was provided by one of our students who is a talented pianist. It has been wonderful to see our students achieve these successes alongside their peers.

We wish to thank our whanau for their engagement and support over the year. Our strong partnership with home continues to be fundamental to the success of the students and the class programme.

Senior students in the class are beginning to have opportunities for work experience as they start their journey to life beyond school, this has helped them develop skills they will need to work effectively in a workplace. Other highlights this year have included school sports days, weekly RDA sessions, opportunities to cook, garden and develop practical life skills. Through our Human Rights focus students have come to understand the right to be safe and the right to an education. This has seen them engage with a variety of community groups and buddy with a school in Nepal. Students enjoy a range of option classes and time in mainstream. Our Year Ten students are looking forward to the end of year camp opportunities that will be held in term four.

We are so proud of the progress each individual student has made and what they have achieved this year. We would like to take this opportunity to thank our amazing learning assistants for the care and support they provide for our students; we could not do what we do without them. Special mention must also go to the amazing team of students from Extension 4 who have supported our students this year.

Thank you for entrusting us with your child this year, we feel honoured to have been a part of your child's school life and beyond.

Bonny and Ali

Te Haerenga

2023 has been a blast so far!

This year we made the call for a name change. What once was the Senior Homeroom, is now Te Haerenga which translates to 'The Journey'. This is significant to our students and class as it is the overarching focus of our classes' journey through Cambridge High School and out into the big wide world.

We kicked the year off with an overnight camp out at Lake Karapiro. This was a new and exciting adventure for most. We made our meals, played games, enjoyed the sunshine and good times behind Meshy's boat biscuiting at Horohora. We've whipped up a storm in the kitchen. Our green fingers have been busy potting plants and creating a garden out the front of our room. We danced the night away at the school ball. We've been visited by a wide range of animals. We supported the FIFA Womens World Cup with gusto, Keziah even got to volunteer with them! We've been involved in many different community programs – Interlock, Swimming, Work Experience, Volunteering and Aqua Aerobics to name a few.

Student highlights for 2023:

Amelia – having the little cutie Cedric in class, Milo with us on Thursdays and spending time with Chloe.

Amy – dancing with Mrs Wells (she's the best dance teacher!), the Karapiro Camp and the school ball

Chloe – Media with Mrs Tupp, our Karapiro Camp and raging on the stage at the school ball and being told to get off.

Ethan – work experience at Grow Daycare, planning and practicing for the Variety Show and having a blast at the school ball!

Georgia – wearing my red dress and dancing at the school ball, having fun at Interlock and going to Aqua Aerobics!

Isabel – biscuiting at camp, extra curricular activities outside of the classroom and Science.

Keziah – volunteering at the FIFA Womens World Cup, camp and dancing at the school ball.

Meikaal – preparing for our Variety Show, going to Music and PE.

Palm – volunteering at Resthaven, going to the town pools and having a dance battle with Michael at the school ball.

Ruby – working on my A to Z Poems, earning REACH points and preparing for our Variety Show!

Stephen – work experience at Amber Nurseries, having Milo the Mobility Dog in class and having fun at Interlock with Matthew and Meikaal.

Sadly, we will be saying goodbye to Meikaal, Chloe and Amy at the end of this year. We wish them well for a bright future.

DANCE

Another fabulous year has been had in the world of Dance at CHS. 2023 saw the introduction of the Year 9 Dance class and we welcomed Mrs Ferreira as a teacher of Dance. During Term 1 our Year 9 and 10 students were able to connect with Sierra Diprose through a workshop on Dance for a digital space and still photography. Our Year 12 and 13 students travelled to the University of Auckland where they spent a day with the Senior Dance Lecturer, Sarah Foster-Sproull, and her students, learning, creating and growing. They also connected with the Talents of the Pacific Academy (ToPA) tutor, Landy Nonoa, as they learnt a range of dances from the Pacific. This led to an amazing opportunity performing at Seddon Park Stadium for the Opening Ceremony of the Kīlikiti Festival.

Term 2 then changed focus as we worked toward our first major shows of the year. Our Year 10 and 11 show "Protecting the Balance" based on the concept from Avatar2 and our Year 12 and 13 concept show called "Inner Self", were an outstanding show of choreographic talent.

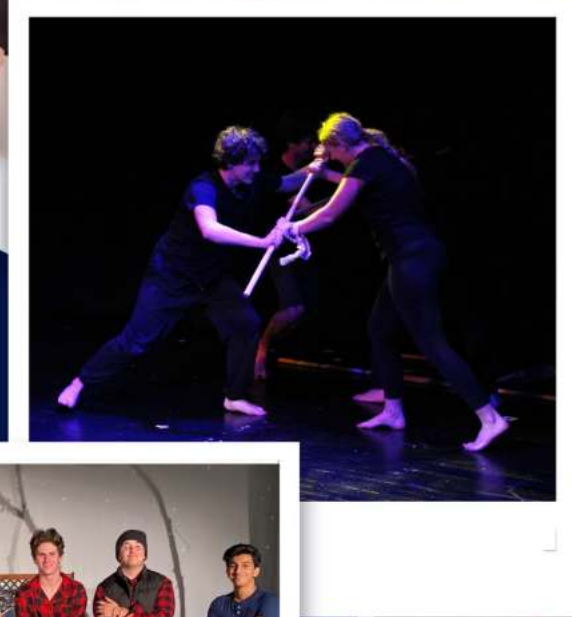

In Term 3, our Year 12 and 13 students then formed their production companies to co-produce their Musical Theatre production "2K Til Today". This was another high energy, upbeat celebration of wonderful items that hit Broadway after the year 2000. Our Year 9 to 11 classes continued to build their knowledge of dance vocab and principles while growing in confidence as a dance whānau.

Our final highlight of the year was the EOYdance showcase, where we celebrated 2023. It has been another amazing year full of amazing talent and performances. We would like to send well wishes to all our Year 13 and leaving students for their future endeavors. The sky is your limit so keep dancing like no one is watching!!
Mrs Alana Wells, TIC Dance

DRAMA

Our year in short:

DRAMA WHAANAU 2023.

Walshie and I would like to thank each and every member of our department for your unwavering support of one another, your attendance at each others shows, your time and effort working on and setting up shows, rehearsals, your awesome energetic and enthusiastic attitudes and the commitment and love you bring into our Drama rooms and theatre. As always we LOVE working with you – you make us want to keep doing what we do. Even with all the stress and madness. We can't wait to see you back for another wild ride in 2024.

2023 has been a vibrant and productive year for Te Tari Puoro o te kura tuarua o Te Oko Horoi (CHS Music Department). The department has grown to four kaiako puoro (music teachers) and we are proud of the breath and depth of the knowledge that our kaiako bring to both the department and the kura.

In the classroom, junior music students have enjoyed an up date program focusing on building practical skills and using digital music production programs. Senior music students have enjoyed writing original songs and presenting their group performances to the community at evening concerts.

The department has sent groups and ensembles to a variety of festivals and performances this year and the students involved are consistently presenting the school in a positive and enthusiastic light.

In addition to the Jazz Squad and Jazz Band, the Concert Band, and Rockquest groups, 2023 saw the beginning of two new ensembles. The Guitar Ensemble and String Ensemble both saw their first performances at the Music Showcase evening and the future is looking bright for all involved.

We were also lucky enough to have Alumni Felix Holton (Drummer for Benee) come in an speak to our senior students about life as a professional musician.

The Server Room recording studio recorded original music by Anna Crouchman, Pineja, Enigmatic, The Friday Night Vandals, and Mosuito Riot. All of whom also competed and performed at the 2023 Rockquest, with Ben, Eliza and Shevaun receiving the best vocalist award and Pineja the award for best song.

You can listen to all of these songs and watch performances from the music festivals on our department youtube channel - @chsmusicNZ

A huge thank you to Lisa, Vy, and Amanda for all the hard work you have put into the department, both in terms of delivering the curriculum and also directing ensembles.

Well, we did it, we have all survived the last 3 (somehow only 3!) years in P Block, with only minor annoyance to the surrounding classrooms and houses. But, we are looking forward to getting into the new block and once again having specialist teaching and learning spaces for our rangatahi to continue to grow and excel.

Auckland Writer's Festival

On the 18th Of May in the theatre of the stunning Aotea Centre, a group of students attended the Auckland Writers' Festival trip. This was the 24th year that the festival had been held. The Auckland Writers' Festival was a trip that showed myself and my peers the diversity, innovative, and inspiring nature in writing and creating literature. We heard from writers such as Jason Reynolds, Monty Soutar, Claudia Jardine, and more. These speakers presented to us their astounding work. We heard about the process of creating poetry, stories, and other masterpieces. They also told us about their history, culture, and family. It showed the audience that anybody, absolutely anybody, can create and share their writing with the world. The Writers' Festival was an amazing experience that demonstrated the incredible minds and creativity that goes into these wonderful pieces. It left me with ample ideas to expand the artistry of my own writing. - **Delta Ritchie**

Spotlight

Night.

Dark, dangerous, disturbing
 Drawing closer
 Cloaked cluster of four, aura of gloom
 Glinting, glowing, glaring sight
 Slamming tendrils with devious delight
 Dreadful silhouettes cast upon the floor
 Fleeting, fearless, frantic with movement
 Monsters outside, tapping the window

Morning.

Dewdrops, delight, dancing light
 Little birds sing bright
 Bitterly, glances were flicked towards the window
 Wow, they were still there
 Those four monsters of shadow
 Comfortable, cosy, calm
 Cuddle of trees outside the window.

OUTDOOR EDUCATION

This year Jonnie Peter's famous quote "There's no such thing as bad weather, just bad clothing," certainly rang true as OED students of all levels braved freezing temperatures and strong winds in Tongariro National Park, as well as torrential rain on the Whanganui River and icy water when surfing in August at Tauranga.

Jonnie took teacherly care to the next level after one student's boots fell apart and so handed his shoes over and completed the rest of the hike in his crocs – in sport mode of course. This choice was not without its consequences and OED students mocked Jonnie's absence for the following week ("must be getting old") until finding out he was in hospital after some infected blisters thanks to strep throat.

Various interesting food, clothing and equipment choices were made as a couple of level 3 students learned how important an actual waterproof raincoat was, a lesson you would think they would've learned after three years, as well another pair who forgot the fly on their tent and took begging to the next level. One student would never shut up about her food and it appeared that she only took the subject to flex about her boujee bagels and cauliflower curry, much to the dismay of those who paid top dollar for fancy (but rubbish) Backcountry meals.

Something that never disappointed was Jonnie and Robbo's prowess at everything they did, whether that be snowboarding, surfing, kayaking, the dice game Greedy or simply making fun of students, they both excelled.

Dealing with impatience was a tough pill to swallow on many trips and a certain year 11 couldn't stomach the idea of waiting more than five minutes for his wrap to cook, so instead stomached some raw chicken. Much to everyone's surprise, he was fine. Impatience was a frequent feeling in the year 13 class as they had to deal with being shut in a hut on top of Mt Ruapehu due to high winds, desperate to practice their mountaineering and avalanche skills and to learn how to use a shovel as a sled. A big shout out to Kaes for sleeping in an ice cave after being bet \$100 that he wouldn't, hope the 1 hour of sleep was worth it.

All jokes aside, a massive thank you to Jonnie and Mr Rob for putting up with all of us every day, I hope you understand the impact you've both had on us and that we know we can never repay these incredible experiences you have provided. Thank you, and I hope that the future OED students appreciate the time and effort these trips take as much as we do. Good luck all who take this subject and know that this is the best Cambridge High has to offer.

International Department

Kia ora! “Hē iti te kupu, hē nui te kōrero” - Although the word is only small, the meaning is great.

What a busy year! We have said Kia ora to over 80 amazing students (Plus nearly 200 for one or two days) to our school from around the world: Japan, Laos, South Korea, Thailand, Indonesia, Vietnam, Germany, Denmark, Austria, Switzerland France, Italy, Taiwan, China. Through friendships made, all these students help our NZ students develop intercultural competence and become Global Citizens- an important skill set for the 21st century. We can't all live overseas, so international students bring the world to us.

A highlight of this year has been the involvement of our students in sports teams and cultural activities. They have been part of Basketball, Football, Tennis, Badminton, Girls Rugby, Rowing, Chess, Dance, CHS has Talent, The school Ball, The musical show, and music groups. We also managed to restart the international food festival this year. Trips to Taupo, Rotorua, Auckland, and Waitomo have also been great fun.

FRENCH

JAPANESE

This year Johan Weiss from New Caledonia joined our team, and she has been a great addition to our department and students have enjoyed her classes.

The year has been a busy one. The Year 9s and 11s had a cinema trip to Te Awamutu, which was most enjoyed. The Year 10s had a cinema trip, and also a trip to the creperie in Hamilton. They enjoyed watching their delicious crepes being made, and speaking French with the chef. The Year 12s went down to the Whanganui River and did canoeing, and some research into a French nun who worked among the Maori people down there. This was the first time we have done this trip, and it was a very enjoyable event. The Year 13s went on camp to Raglan in March, and enjoyed meeting other French students from around the area. They had their sleepover and also a cinema trip thrown in.

This September we finally got back to our overseas trips. 29 students had a wonderful week trip to Noumea. Sun, surf, language lessons, homestays, island visits. It is a life changing experience. We have another New Caledonia trip planned for 2024. This is an exchange with a school in La Foa. Their students will come and be hosted by us in July, and then our students will go there in the September holidays. We are lucky that Madame Weiss helped set up this exchange.

Finally we have a plan... France 2025. It will be great to take our fifth trip to France, and get back to the town where are penpals live. It will be 8 years since our last trip thanks to Covid.

The French department is thriving, and thanks to our wonderful students and motivated teachers Madame Weiss, Monsieur Bryant and Madame Feast.

Here are the following blurbs for the Japanese Class section. Please also proofread and cull if needed. I'm still waiting on 3 - but I'm pretty sure I've missed the deadline! So here they are:

"A few words from our Year 13 Senior Students who are the Japanese class leaders and senpai to younger students taking Japanese in the school. They have helped with many events such as welcoming visiting schools from Japan and hosting activities for them. They have also helped run activities and provide help to junior classes. These are their reflections from their studies over the past few years:

Jaime Hunter:

I took Japanese in year 9 as I was already interested in the country, and I loved the class! While I've never been the best student, I enjoyed the variety of activities that we used to learn. The teacher is amazing and patient even when I'm not the most focused. I've learnt so much about the culture and country and had so much fun!

Ronan Transom:

Learning Japanese at CHS was a great experience. I personally like the culture of Japan from what I know, and being in a class and having a great teacher that wants to learn/teach the same culture and language created a massive positive in my high school life. Through the 5 years of being in the Japanese class I made many friends that formed from my passion for the culture and language. The class itself is wonderful with a teacher who cares for her students learning (does not happen often). When she has students that really want to learn she can get together all the students and teach them in ways that allows for all the different students with diverse types of learning methods to learn and excel.

Stephen Sha:

Learning Japanese has been very fun at CHS. Japanese has been one of the few subjects I looked forward to. We may not have been the best students throughout the 5 years but thankfully the teacher was very patient with us. Japanese, and the class, also helped me break out of my timid shell (though it took longer than it should've).

What makes Japanese so great was the community. I'm thankful to have met so many amazing and kind people. As for why I took Japanese, I don't really know. I really liked the language to begin with, but what made me wanna stay was the people. High school has been really rough on me, so I'm glad to have Japanese; it was a place where I can forget about everyday stuff and really enjoy the subject."

MANDARIN

MAAORI

Nihao!

This year, the Year 9 Mandarin classes have explored different aspects of the Mandarin language, arts, sports, movies, and culture. They have built their confidence in using the language through conversations, negotiations, practice, and games. Students have also gained knowledge through inquiries into the cultures of Mandarin-speaking countries and native Chinese animals. They have created some amazing dragon art for our classroom! At the end of the semester, students tried cooking a simple Chinese dish of fried rice, and practiced their chopstick skills.

The Year 10 Mandarin class has been busy learning how to read and write Chinese characters. In addition to interactive activities, they are learning to become independent learners with the given resources. The class had the opportunity to go on a cinema trip to see a Chinese film in Te Awamutu, dine in a Chinese restaurant, and visit a popular bubble tea shop in Hamilton. The students also made their own dumplings in class.

Nā Matua

Health and Physical Education

In yet another busy off season, the appointments of Miss Brittenden and Matua Quints during the trade window, increased the depth of the department and provided much needed coverage in key positions. Both have added flair and entertainment to our office and have been real crowd favourites with the students.

Despite the terrible summer weather, there will be plenty of happy campers out around the school, with our Sport Science trips continuing to be a highlight. Adding to this has been the introduction of our Year 10 Health Sector Studies course by Miss Vervoort which, has proven to be quite the hit with the students involved.

Throughout the year, there have been many opportunities for the PE staff to be strutting their stuff and showing off some athletic prowess or something like that. Bench Ball, Athletics, Swimming Sports, and Ki o Rahi were notable mentions, but it must be said that the reintroduction of the Haka competition was a true highlight for our department.

Unsurprisingly, our winter swim was back, bigger than ever in 2023. Over 30 people took the plunge and swam a length of the pool in 11 degrees Celsius water on the last day of Term 2. It was a fantastic opportunity to practice misogi and recognise that we can overcome big challenges when we put our minds to it.

Our final highlight of the year was joining in the celebration of Mr East's birthday. His priceless expression upon seeing his Tayla Swift birthday cake were well worth the wait. Perhaps he could look to take on Mr Hudson's role in 2024 and make a permanent move to the PE department.

To those of you who take our subjects, thanks. We really appreciate seeing all those smiling, happy faces grace the field, turf, and gym spaces. Looking forward to next year, we can't wait to do it all again.

Up the Wahs!

Science

2023 was a great year for our science programmes at Cambridge High School. Ongoing improvements to our junior science programmes have resulted in more practical work and engaging contexts that connect science to the real world. This was further enhanced with connections to our communities through riparian tree planting and the annual Year 10 Owl Farm visit where students had the opportunity to experience the wide range of career pathways connected to our agricultural sector, along with some of the emerging technologies being trialed in the sector. This was all made possible by the Smart Waikato Secondary Schools Employment Partnerships programme. In class our junior scientists explored the world through microscopes, tested for hydrogen gas with pop tests and zapped one another with our Van der Graaf generator (all in the name of science learning).

The General Science course has been extended through to Year 13, alongside Physics, Biology, and Chemistry. Our General Science students have been able to explore the more practical aspects of science, building bottle rockets and launching them on the field in Term 2, with the record being over 80m!

Our Year 12 biologists were able to resume their yearly ecological fieldtrip to Sanctuary Mountain – Maungatautari to explore sustainability and pest control. Some of our chemistry students attended the Chemistry Competition held at the University of Waikato and got to experience chemistry in a working research lab. Our senior physicists got accelerated at the Skyline Luge in Rotorua and spun upside down at Rainbows End.

2023 has shaped up to be an excellent year academically, with a variety of students preparing for the Level 3 scholarship examinations. We have also seen the impressive efforts of the junior plus class producing passion project inquiries that explored science ideas across multiple learning areas. A true example of the 21st Century Skills we aim to develop in our faculty.

GEOGRAPHY

Another group of amazing young people opted in to taking Geography. Trips went off without being affected by weather or pandemics. Our learning across all three-year levels covers a tropical theme in which students investigate tropical cyclones, rainforests and reefs. Our Level 1 geographers gathered data from Maungatautari Maunga, our Level 2 students investigated land uses in Mount Maunganui and the Year 13 researched the coastal processes operating at Waihi Beach.

Year 13 Geo was a hit this year, starting off with our 2-day trip to Waihi Beach. The weather was lovely, and we spent the day measuring waves, taking photos and throwing lemons. Finishing it off with takeaways at the Waihi Beach Surf Club. A highlight of the year was the trip to Samoa. The first overseas trip since COVID and a very successful one. We swam at the Sauniatu Waterfall and snorkelled in the To Sua Trench & Piula Cave Pools' crystal-clear waters. We ate amazing food at a traditional cultural show and met some lovely people both in the resort and in the main town of Apia. Soaking up every single bit of sun and warm weather before going back to the cold winter in NZ. It was an incredible trip that is recommended to anybody lucky enough to get this opportunity.

TECHNOLOGY

2023

This year has brought successes and challenges to both students and staff of the Technology Faculty, including new additions to the staff giving a full accompaniment of teachers for all specialist areas. Multiple challenges have been overcome to produce successful theoretical and practical outcomes.

Through dedication, creativity, and problem-solving skills the Technology staff were able to integrate Numeracy and Literacy across all the subject specialisms in addition to regular curriculum teaching to support the best possible outcomes for all students. The outstanding physical products created by students through design, refinement, and then realisation of individual ideas are the visible objects that are seen leaving the building but all students can attest to the incredible Technological Process learning that is involved as well.

The success of an integrated approach to teaching was evident in remarkable outcomes by the students throughout a very successful 2023.

TECHNOLOGY FACULTY

A few of the outcomes and successes from our faculty

- **MTW/Carpentry** – Students are working on curved timber lamination in junior and senior projects to build on skills, and individualised specialism projects including electric guitars, 60's "space age" coffee tables and folding chairs.

- **Textiles** – Students have had great success and engagement with all projects, making pj shorts, 3D teddy bears, learning about sustainable fashion and designing their own personal projects. This year we have had very high success rates and NCEA pass results.

- **Food Technology** – Students have participated in creating many amazing dishes and pulling off incredible events for staff and whānau. At the Culinary Fare senior students came away with gold and bronze awards. In the food room students hosted pasta, Chinese and sandwich themed food nights and provided food for the Pink Ribbon bake sale and the Year 8 open night.

- **MTE/Engineering** – Students are creating excellent quality work with their gear knobs, downhill racers and sling-a-cars. Across the different classes students are building new skills and discovering the limitations and potential of different materials. Testing out student-designed bridges was a major highlight.

- **Design and Visual Communication** – Students have enjoyed working on design narratives from the Hamilton Gardens at Year 10 and 11, and within our own school designing shelters that represent our stories. Senior levels are working on incredible projects in product and spatial design including cafes, visitor centres, watches and speakers. Students learn to design functional and meaningful outcomes that take inspiration from a variety of sources, from the Huka Falls to a DeLorean car.

- **Digital Technologies** – Where binary magic unfolds, allowing for some serious digital exploration! Junior-level students craft engaging movie posters using Adobe Photoshop, leveraging visual elements to design HTML websites. They delve into Python and C# coding, conquer robot control, and culminate their year mastering microprocessors and stepper motors for precision mechatronic control. Seniors have managed to take this up a notch and tackle real world problems with awesome bespoke digital solutions.

Level 2 - Tourism hits Rotorua!

Our aim for this trip was to explore different work roles within our regenerated Tourism sector and understand different aspects of New Zealand tourism. Students gained insight on tourism businesses and managed to play tourist for the day discovering the needs of both international and domestic customers.

The day commenced with a vibrant industry talk from the knowledgeable staff at Velocity Valley Adrenaline Park. We then put our brave pants on and joined in some of the hair-raising activities. While the pumping jet boat ride had many of us squealing and throwing our hands in the air, it was the Swoop that was the activity of choice for those that could stomach the 40-metre drop!

Throughout the morning I saw the students interacting, laughing, and supporting each other. A particularly lovely moment had our Aakonga gather in a large group to cheer on an international student who was returning home soon. They recorded his daring Swoop, so he was able to share his experience back home in Japan. Getting out of the classroom is such an organic way to have students build relationships through their experiences together.

Finally, it was time to hit the Skyline slopes of Mount Ngongotaha. Students got to enjoy the majestic lake views as they rode the gondola to the top. Skyline Human Resources shared some knowledge on how their company operates both internationally and domestically. They discussed overseas opportunity and how to gain employment in their roles (Qualifications/ personal attributes). By this point, we were more than ready to get our hairnets and helmets on and race our way down the mountainside on the Luge.

As home beckoned, I could hear the animated conversations behind me on the bus. Our Aakonga had clearly enjoyed their day out!

Psychology

Psychology in 2023 has been another epic year. We started the year with an exciting and bittersweet "goodbye and have a great time at home with your baby" to Miss Smith. But that then created an opportunity for us to welcome Mrs Joyce who came and has honed her skills in Psychology.

We had a great bunch of eager Year 12's give Psychology a go. Students have grown, with many engaging critically with the concepts, participating in lively debates about human behaviour. The Year 12's had an amazing opportunity to see what the University of Waikato has to offer in their Psychology department on the annual field trip. The lecturers opened the students minds to the Forensic aspect of Psychology, which was largely enjoyed by the students, and to the Behavioural and Cognitive fields.

We had a number of fresh Year 13 join our programme this year and they too have flourished in their studies, both developing on their knowledge from last year and building new understandings. Students have applied their knowledge to real world contexts, and can now see how theory can be applied in society. Despite the challenges of 2023, it is great to see them REACH their full potential and show resilience in the trying times. We wish all our students moving on to adventures outside of CHS all the best, and those coming into Psychology we bid you welcome.

We look forward to seeing what next year brings.

HOROTIU

Another tough year for Horotiu House from a house competition point of view, currently sitting 4th equal. But progress from last year. Once again we have come home really strong winning the last 3 events of the house competition. The highlight of those would have to be the Haka Competition. This was the first time the haka competition has been back in CHS in 10 years, so a real proud moment for the Horotiu Hawks.

As a house we have continued to develop and work on the culture of the house and the expectations of the students. We have started to see those values of being good people that can contribute to our community, really start to come through with our students across all year levels.

Leadership development continues to be strong in Horotiu House with 24 student across our senior year levels putting their names forward to be senior leaders in 2024. We are starting to see the benefits of our Junior Hawks program run by Mr Linklater coming through with our senior students.

Over the last 12 months we have lost a lot of form teachers that have moved on to other jobs and roles within the education system. We wish them well for their future endeavours and thank them for the support of the students and whanau of Horotiu House.

PARAWHAU

In 2023, Parawhau experienced a year of growth in unity, spirit, and competitive spirit. Despite facing significant challenges, our resilient Toa members showed unwavering support for one another. Our house's strong culture and connections shone brightly throughout the year. Whether it was through engaging in activities like benchball, Haka competitions, or Lego challenges, we witnessed active participation from both students and staff.

During the interhouse Ki -O-Rahi competition, our collective enthusiasm and skill were on full display, making our house proud. We owe our success to the dedication of our student leaders, who have continuously worked to provide opportunities for fun and achievement within our house.

We extend our heartfelt gratitude to everyone for their hard work throughout the year, and we wish our year 13s the very best in their future endeavors. Thank you for yet another fantastic year Parawhau. We eagerly anticipate what 2024 has in store for us!

PUKERORO

We celebrate another amazing year in the Pukeroro Whānau, full of fun and house spirit. It was awesome to see all our students get involved, stepping out of their comfort zones with both the school competitions such as Athletics Day, Swimming Sports, Cross Country and Haka, and our intra-house competitions. There was lots of fun rivalry when it came to the form class challenges which encouraged everyone to get involved. Life has been about continuing to grow whanaungatanga, connect as a house and celebrate excellence in all aspects of student life. Congratulations to those who have shone in their area of interest this year, be it sport, arts, cultural or academic fields. We are proud of you all. Bring on 2024!

TE KOO UTU

2023 has been another year of building on our sense of belonging and further developing our connections as a house. Despite some tough challenges throughout the year Te Koo Utu has shown resilience and can be proud with how we finished the year.

Our intra-house Snuff competition was taken out this year by ETNK, with DMEK making it to the finals. It was great to see everyone involved and having fun during these games. Thank you to our 2023 leaders for running this event. Along with our interhouse competition, it has been great to see our students participating in other events. We managed a 4th place during the Bench ball competition.

The Haka competition was inspiring with an awesome bunch of students and teachers who stepped out of their comfort zone to perform in front of the other houses. This was a fantastic opportunity for student leadership, with many akonga showing the way, helping to teach and lead the Haka! Ka pai te mahi to all those who were part of this!

Finally, thanks to all our amazing students who continue to strive to meet Cambridge High's REACH values and a special thanks to our Form Teachers and Subject Teachers who continue to go above and beyond.

TE KOOPU MANANIA

This year has been marked by unforgettable milestones for Te Koopu Manania. Our collective enthusiasm was showcased during the Chant and Activities Day, especially when led by Daniel Plant, earned us 2nd place in the chant and 1st in house activities day. A huge thanks to our competitive and participation swimmers who helped us dominate the leaderboard, with notable wins in the junior and senior relays. Athletics and Cross Country saw everyone give their best, highlighting our unity and house spirit. TKM did so well in Ki-O-Rahi, Bench Ball, Academic Week, and the Haka emphasized our bond as a house.

This year would not have been as successful without the organization and enthusiasm of our leadership group. Our Prefects, Daniel Plant and Evie Ismay, and our dedicated House Captains, Chiara Woodford, Caitlin Cotter, Berengere Lemerrier, and Sahara Taane.

As 2023 concludes, let's bring the same spirit of unity and excellence into 2024.

TE OKO HOROI

"I like when we do group activities and that it's a nice environment. No one judges."

"I really like getting together with my house on the activities days."

"As a year 9 student, I felt really welcomed in my house."

"My favourite memory was when my form class all worked together to do the water challenge on the activities day... and we won!"

#benchballthursdays

"I liked the house coming together for the haka."

"Everyone is always trying their hardest even though we are kind of the underdogs right now."

"Words can't describe how happy I was while watching and performing the haka. We did so well, and I hope everyone is super proud of themselves."
