# Homestay Parent Referees

---

We require two character references. One of these should know your family, and the other one should be a personal character reference given by someone whom you have known for at least two years (not a family member).

Please ensure that you nominate two people on your application form and include their name, full address and other contact details, as well as their relationship to you.

You will need to confirm that they are willing to provide a reference for you. The school will then get in touch with them to ask them to complete a reference. Their reference will be kept completely confidential.

**Please provide two Character References** (e.g. Neighbour, family friend, workmate) Please try and avoid family.
