

Criteria

Criteria for acceptance as a Cambridge High School Student

Students will need to:

- Have a genuine desire to learn
- Show that they have a good record of attendance at their previous school
- Provide information about their ability and progress at their previous school – the student applying needs to provide their latest school report
- Sign the application form agreements to abide by all of our school rules
- Accept the conditions of the homestay programme as determined by the Board and staff of the International Student Department

Attention should be given to conditions that apply to fee-paying students, in particular the Refunds and Code of Conduct Policies.

At Cambridge High School we DO NOT permit students to own a car and/or drive while they are studying at our school. It is in the student's best interests that they do not drive.

Pocket money should be limited; we recommend about \$NZ50.00 per week.

Refunds will be made only after costs and expenses have been deducted as outlined in Refunds Policy.
